Ürünlerimiz ile ilgili ambalaj bilgileri, üstteki örnekte olduğu gibi, ayrıntıları ile birlikte ilgili ürün sütununun sağ tarafında yer almaktadır.

As indicated in the above sample, Packaging information, together with its details, in relation to our products is placed on the right hand side of the relevant product column.

DİZAYNEKOL

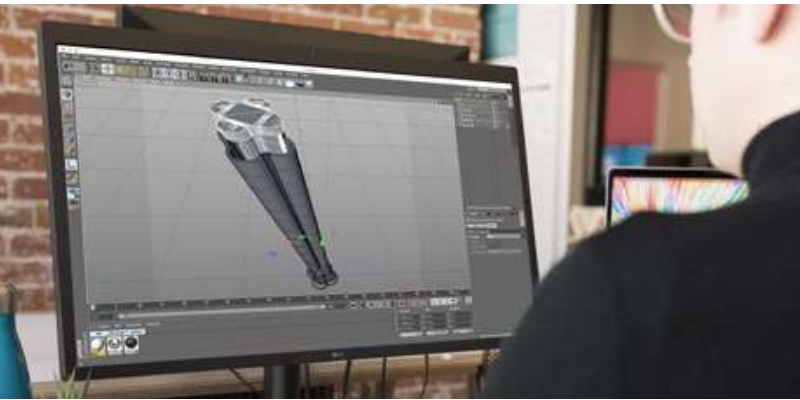

TR Dizayn Ekol, mobilya sektörü başta olmak üzere plastik aksesuar ve bağlantı ekipmanları üretimi sektöründe faaliyet göstermek üzere İnegöl'de kurulmuştur.

Kısa zaman içerisinde yapmış olduğumuz yenilik ve yatırımlar ile sektörün ihtiyaçlarını karşılamaktayız. Dizayn Ekol olarak, güvenilirlik ve kaliteli ürün önceliğimizdir.

EN Dizayn Ekol was established in İnegöl to operate in plastic accessories and assembly equipments but in particular in furniture sector.

Thanks to the investments and innovations carried out in a short time, we are able to meet the needs of the sector. As Dizayn Ekol, reliability and high quality products are our priorities.

TR

Yüksek üretim kapasitesi, stoklu çalışma imkanı, boya tesisi, kaplama tesisi ve en son teknoloji enjeksiyon makinaları firmamızın ayırt edici özellikleridir.

Dizayn Ekol, katılmış olduğu yurt iç ve yurt dışı fuarlar ile Dizayn Ekol markasını duyurmaya çalışmaktadır.

Ürün yelpazesini sürekli genişleten firmamız yeni kurduğu 4,000m² kapalı alan fabrika ile tasarım, üretim, zamanında teslim ilkelerine uyarak daha kaliteli hizmet vermeye kararlılıkla devam etmektedir.

EN

High production capacity, possibility to operate with stocks, dyeing plant, coating plant, cutting edge technology injection machinery are among the distinctive features of our company.

Dizayn Ekol is seeking to introduce its brand all around the world through the domestic and foreign exhibitions its takes place in.

Our company, being able to extend its product range permanently, with the recently established plant with 4000 m² sheltered area, will pertinaciously continue to serve with higher quality in compliance with design and production on-time delivery principles.
